July 5, 2016 update
Relocation of units currently occupying McIver

Provost Dana Dunn and Vice Chancellor Charles Maimone met with the leadership of the units currently occupying McIver on May 17th and May 18th, 2016 to explain the guiding principles that will drive the relocation process as well as reviewing a preliminary meeting schedule for Judy Smith, Director of Space Management and Jorge Quintal, AVC for Facilities to meet with representatives of the departments currently occupying McIver.

As of June 30th, 2016, Judy and Jorge have met with the following units to develop concept plans for relocation:

- Information Technology Services
- Enrollment Management
- University Teaching and Learning Commons

Next steps:

During the months of July and August, Judy and Jorge will meet with representatives of all remaining units currently occupying McIver.
